One or more photo(s) has been virtually staged. Pre-Construction. To be built. Between the relaxed den or dining area just to the right of the entry way, to the spacious backyard lanai just beyond the sliding door of the family room, the Lazio floor plan offers an attractive, thoughtful layout that is perfect for both the savvy couple and the growing family.

The two-car garage opens directly into the laundry room, allowing a one-stop shop for dirty clothes, shoes, cleaning supplies, and other necessities to be stored conveniently out of view.
